Congratulations on your purchase of one of our ConvoPower products!

You have chosen a product that enables advanced learners to achieve a high level of linguistic proficiency with the help of varied and authentic study material.

This study material has been created on the basis of scientific findings by language experts who themselves have been successfully learning languages for decades.

Our ConvoPower products consist of 100 dialogues with around 2,800 sentences that help you further consolidate the knowledge you have acquired with our SentencePower products.

Each dialogue tells a short story in an entertaining way and reflects natural conversations.

We have selected topical content through which you will learn vocabulary that you can immediately use in your everyday life.

We wish you the best of success with our product!

The LingoCradle team

## Table of contents

Dialogue 7: First day of school_____	5

» Dialogue 7: First day of school  
Diálogo 7: Primeiro dia de aula

- S01** Steven, get up! It's already seven o'clock.  
You're going to be late for school.  
Estêvão, levanta! Já são sete horas. Você vai se atrasar para a escola.
- S02** Ah, no, Mum, I still have enough time. Let me sleep a little more.  
Ah, não, mãe, ainda é cedo. Me deixa dormir mais um pouquinho.
- S03** Get up, sleepyhead! Next time go to bed earlier. Then you won't be so tired in the morning.  
Levanta logo, dorminhoco! Da próxima vez, você vai para a cama mais cedo. Assim não fica tão cansado de manhã.
- S04** Let me sleep a little more, please. I don't need breakfast either.  
Me deixa dormir só mais cinco minutinhos.  
Não vou tomar o café da manhã.
- S05** That's out of the question. Breakfast is the most important meal of the day. Get up, wash yourself and get dressed.  
Isso está fora de questão. O café da manhã é a refeição mais importante do dia. Levanta

agora, lava o rosto e vá se vestir.

**S06** Okay, okay. I hate school.  
Ok, ok. Odeio a escola.

**S07** School is not the problem. The problem is that you always watch TV for way too long in the evening.  
A escola não é o problema. O problema é que você assiste muita televisão à noite.

**S08** Mum, where's my new pair of jeans?  
Mãe, onde tá minha calça jeans nova?

**S09** How should I know? They're probably where you put them last night.  
E eu que sei? Deve estar onde você deixou ontem à noite.

**S10** I can't find them. I really wanted to wear my new pair of jeans on the first day of school.  
Não consigo encontrar. Quero usar minha calça nova no primeiro dia de aula.

**S11** Then wear something else today. You're going to school and not to a fashion show.  
Então veste qualquer outra coisa. Você vai para a escola, não para um desfile de moda.

» Dialogue 12: Dinner guests

**Diálogo 12: Convidados para jantar**

**S01** We really need to do some grocery shopping today.

**Precisamos ir às compras hoje.**

**S02** Why? We went shopping yesterday, didn't we?

**Por quê? Nós fomos ao mercado ontem, não?**

**S03** Have you forgotten that my parents are coming to visit today? We've invited them for dinner.

**Esqueceu que meus pais vêm nos visitar hoje? Nós os convidamos para jantar.**

**S04** Oh yeah, I've totally forgotten about that. Do you already know what you're going to make?

**Ah, sim, esqueci completamente. Você já sabe o que vai preparar?**

**S05** Yes, of course. What do you think? If I didn't know what to cook tonight, we'd really be in trouble.

**Sim, claro. O que você acha? Se eu ainda não soubesse o que cozinhar, estaríamos com problemas.**

**S06** And what are you going to cook?

**E qual será o cardápio da noite?**

**S07** I'm going to make my parents' favourite meal. They both love Italian food. That's why I'm making lasagne.

Vou preparar a refeição preferida dos meus pais. Ambos adoram comida italiana. É por isso que eu vou fazer uma lasanha.

**S08** That sounds great. You know I love lasagne, too. Hopefully we'll have tiramisu for dessert. I love tiramisu.

Boa ideia. Você sabe que eu também adoro lasanha. Espero que tenhamos tiramisu para a sobremesa. Adoro tiramisu.

**S09** Of course I'll make tiramisu. I know you have a sweet tooth just like my dad. Mum and I are going to have some ice cream.

Claro, vou cuidar disso. Eu sei que você é guloso igual ao meu pai. Eu e minha mãe preferimos sorvete.

**S10** Excellent, that way there'll be more tiramisu for me and your father.

Ótimo, assim sobra mais tiramisu para seu pai e eu.

**S11** But you know if you don't finish the main course, there won't be any dessert for you.

Mas você sabe que se não terminar o prato principal, não terá direito à sobremesa.

- S12** You're kidding, right? I'm not a child anymore.  
Você está brincando, certo? Já não sou mais criança.
- S13** Of course I'm kidding. But I don't think you'll be very hungry after eating soup for a starter and lasagne as the main course.  
Claro que estou brincando. Mas acho que você não terá mais muita fome depois da sopa como entrada e a lasanha como prato principal.
- S14** There's always room in my stomach for sweets. Don't worry!  
Sempre há espaço para doces no meu estômago. Não se preocupe!

» **Dialogue 54: Problems with the computer in the office**

**Diálogo 54: Problemas com o computador no escritório**

**S01** When I turned on my computer this morning, suddenly the screen went all black.

Assim que liguei meu computador de manhã, a tela ficou toda preta, do nada.

**S02** Oh, my goodness. What did you do then?

Ai, meu Deus. E o que você fez?

**S03** At first I thought the power cable had come loose, but that wasn't the case. Then I tried to start the computer again, but the screen remained black.

Primeiro, achei que o cabo de alimentação de força tinha se soltado, mas não era isso. Tentei reiniciar o computador, mas a tela continuou preta.

**S04** Did you call our IT technician?

Você ligou para o técnico de TI?

**S05** Yes, but at first his number was always engaged. Apparently I wasn't the only one who had problems with his computer. I then went to his office to talk to him about my problem in person.

Sim, mas o número dele estava sempre ocupado. Parece que eu não fui o único a ter problemas com o computador. Depois, fui ao escritório dele para explicar meu problema pessoalmente.

**S06** And what did he say?  
E o que ele disse?

**S07** At first nothing, because the phone was ringing all the time. All of the computers in our company were down. It was a real disaster.  
No início, nada, porque o telefone dele continuava tocando. Todos os computadores da empresa estavam com problemas. Foi um verdadeiro desastre.

**S08** How could something like this happen? It's not possible for all the computers to break down at the same time.  
Como uma coisa assim pode acontecer? Não é possível que todos os computadores tenham travado ao mesmo tempo.

**S09** The computers didn't break down. It was a hacker attack. Someone froze our computers and wanted to blackmail our company.  
Os computadores não travaram. Foi um ataque de hacker. Alguém invadiu nossos computadores e quis chantagear a empresa.

**S10** That's terrible. It sounds like a scene from a film.

Isso é terrível. Parece uma cena de um filme.

**S11** Yes. But luckily our IT department was able to solve the problem and, in the meantime, we also notified the police.

Sim. Mas felizmente o departamento de TI conseguiu resolver o problema. E avisamos a polícia depois.

**S12** I'm afraid it won't be easy to track down the perpetrators. Most of them operate from abroad and on the darknet.

Acho que não vai ser fácil localizar os criminosos. A maioria age de outro país, e pela darknet.

**S13** That's true. Fortunately, we have backups set up on an external server for all the files we work with.

É verdade. Ainda bem que temos cópias de segurança de todos os arquivos do trabalho em um servidor externo.

» **Dialogue 70: Special Olympics**  
**Diálogo 70: Olimpíadas Especiais**

**S01** The Special Olympics are starting next week. Did you know that a student from our school is a member of the youth national handball team?

As Olimpíadas Especiais começam semana que vem. Sabia que um aluno da nossa escola é membro da equipe nacional de handebol juvenil?

**S02** No, I had no idea. Do you mean the blond boy who is in a wheelchair?

Não, não fazia ideia. É aquele rapaz loiro de cadeira de rodas?

**S03** Yes, that's the one I'm talking about. My friend goes to the same class as him, and she told me that he practises three times a week and often participates in tournaments at the weekends. He's also been abroad a lot with his team.

Sim, ele mesmo. Minha amiga está na mesma turma que ele, e ela disse que ele treina três vezes por semana e costuma participar de torneios aos fins de semana. Ele também já esteve muitas vezes no exterior com sua equipe.

**S04** That's really remarkable. Handball is a physically demanding sport. But I've noticed he has very muscular arms. He probably needs to have strong arms, because he doesn't have an electric wheelchair, but uses his arms to move the wheels.

Isso é mesmo incrível. O handebol é um esporte fisicamente desgastante. Mas eu reparei que ele tem braços muito fortes. Provavelmente precisa de braços fortes porque não tem uma cadeira de rodas elétrica e usa os braços para mover as rodas.

**S05** He is not only very athletic, but also a really nice guy. I chatted with him a few times when he was waiting for his parents to pick him up from school by car.

Além de ser muito atlético, ele também é muito simpático. Falei com ele algumas vezes na escola, enquanto ele esperava que os pais o viessem buscar.

**S06** Unfortunately, I only know him by sight. But I'm sure he's nice. I'm always very impressed by the achievements of the athletes at the Special Olympics.

Infelizmente, só o conheço de vista. Mas imagino que ele seja simpático. Sempre fico muito impressionado com as conquistas dos atletas nas Olimpíadas Especiais.

**S07** Me, too. But it's not just their athletic achievements that inspire me. I'm particularly fascinated by their positive attitude towards life. Although most of them have suffered severe blows of fate, they don't let these things get them down.

**Eu também. Mas não são apenas as conquistas atléticas deles que me inspiram. Estou particularmente fascinada pela atitude positiva deles em relação à vida. Embora a maioria tenha sofrido golpes severos do destino, não deixam que essas coisas os afetem.**

**S08** I think these athletes are real role models for other people.

**Acho que esses atletas são verdadeiros exemplos para as outras pessoas.**

**S09** I couldn't agree more with you. At any rate, I'm looking forward to watching the competitions on TV and, of course, I'll keep my fingers firmly crossed for our handball team. Who knows, maybe the boy from our school will even win a medal!

**Eu não poderia concordar mais com você. De qualquer forma, estou ansiosa para ver as competições na TV e, claro, vou torcer pela nossa equipe de handebol. Quem sabe, talvez nosso colega ganhe uma medalha!**

**S10** That would be fantastic. In any case, it's already an outstanding achievement for him to be participating in the Special Olympics. I'm sure his parents are very proud of him.

Isso seria fantástico. Mas de qualquer maneira, já é um feito notável participar das Olimpíadas Especiais. Tenho certeza que os pais dele estão muito orgulhosos.

**S11** I think the most important thing for his parents is that he is happy.

Acho que o mais importante para os pais dele é que ele está feliz.
