Congratulations on your purchase of one of our ConvoPower products!

You have chosen a product that enables advanced learners to achieve a high level of linguistic proficiency with the help of varied and authentic study material.

This study material has been created on the basis of scientific findings by language experts who themselves have been successfully learning languages for decades.

Our ConvoPower products consist of 100 dialogues with around 2,800 sentences that help you further consolidate the knowledge you have acquired with our SentencePower products.

Each dialogue tells a short story in an entertaining way and reflects natural conversations.

We have selected topical content through which you will learn vocabulary that you can immediately use in your everyday life.

We wish you the best of success with our product!

The LingoCradle team

## Table of contents

Dialogue 7: First day of school_____	5
Dialogue 12: Dinner guests_____	7
Dialogue 54: Problems with the computer in the office_____	10
Dialogue 70: Special Olympics_____	13
100 dialogues_____	17

Note for the UK version: Words ending in -ize, -ization etc. are spelt as recommended by the Oxford Dictionary (i. e. recognize, realize, organization etc.)

» Dialogue 7: First day of school

**Dijalog 7: Prvi dan škole**

- S01** Steven, get up! It's already seven o'clock.  
You're going to be late for school.  
*Stjepane, ustani! Već je sedam sati. Zakasnit ćeš u školu.*
- S02** Ah, no, Mum, I still have enough time. Let me sleep a little more.  
*Ah, ne, mama, imam još dovoljno vremena. Pusti me da spavam još malo.*
- S03** Get up, sleepyhead! Next time go to bed earlier. Then you won't be so tired in the morning.  
*Ustaj, pospanko! Sljedeći put idi ranije u krevet. Tako ujutro nećeš biti toliko umoran.*
- S04** Let me sleep a little more, please. I don't need breakfast either.  
*Pusti me da još malo spavam, molim te. Ne treba mi ni doručak.*
- S05** That's out of the question. Breakfast is the most important meal of the day. Get up, wash yourself and get dressed.  
*To ne dolazi u obzir. Doručak je najvažniji obrok u danu. Ustani, operi se i obuci.*

- S06** Okay, okay. I hate school.  
Okej, okej. Mrzim školu.
- S07** School is not the problem. The problem is that you always watch TV for way too long in the evening.  
Škola nije problem. Problem je što navečer uvijek predugo gledaš TV.
- S08** Mum, where's my new pair of jeans?  
Mama, gdje su moje nove traperice?
- S09** How should I know? They're probably where you put them last night.  
Kako bih ja trebala znati? Vjerojatno su tamo gdje si ih sinoć ostavio.
- S10** I can't find them. I really wanted to wear my new pair of jeans on the first day of school.  
Ne mogu ih pronaći. Stvarno sam htio obući svoj novi par traperica na prvi dan škole.
- S11** Then wear something else today. You're going to school and not to a fashion show.  
Onda danas obuci nešto drugo. Ideš u školu a ne na modnu reviju.

» Dialogue 12: Dinner guests  
Dijalog 12: Gosti za večerom

- S01** We really need to do some grocery shopping today.  
Danas stvarno moramo obaviti kupovinu namirnica.
- S02** Why? We went shopping yesterday, didn't we?  
Zašto? Jučer smo išli u kupovinu, zar ne?
- S03** Have you forgotten that my parents are coming to visit today? We've invited them for dinner.  
Jesi li zaboravio da mi danas roditelji dolaze u posjet? Pozvali smo ih na večeru.
- S04** Oh yeah, I've totally forgotten about that. Do you already know what you're going to make?  
O da, potpuno sam zaboravio na to. Znaš li već što ćeš pripremati?
- S05** Yes, of course. What do you think? If I didn't know what to cook tonight, we'd really be in trouble.  
Da naravno. Što misliš? Da ne znam što kuhati večeras, stvarno bismo bili u problemu.
- S06** And what are you going to cook?  
I što ćeš kuhati?

**S07** I'm going to make my parents' favourite meal. They both love Italian food. That's why I'm making lasagne.

Napravit ću omiljeno jelo svojih roditelja.  
Oboje vole talijansku hranu. Zato ću napraviti lasanje.

**S08** That sounds great. You know I love lasagne, too. Hopefully we'll have tiramisu for dessert. I love tiramisu.

To zvuči odlično. Znaš da i ja volim lasanje.  
Nadamo se da ćemo za desert imati tiramisu.  
Volim tiramisu.

**S09** Of course I'll make tiramisu. I know you have a sweet tooth just like my dad. Mum and I are going to have some ice cream.

Naravno da ću napraviti tiramisu. Znam da voliš slatko kao i moj tata. Mama i ja ćemo jesti sladoled.

**S10** Excellent, that way there'll be more tiramisu for me and your father.

Odlično, tako će biti više tiramisua za mene i tvog oca.

**S11** But you know if you don't finish the main course, there won't be any dessert for you.

Ali znaš da ako ne pojedeš glavno jelo, neće biti ni deserta.

**S12** You're kidding, right? I'm not a child anymore.

Šališ se, zar ne? Nisam više dijete.

**S13** Of course I'm kidding. But I don't think you'll be very hungry after eating soup for a starter and lasagne as the main course.

Naravno da se šalim. Ali mislim da nećeš biti jako gladan nakon što pojedeš juhu za predjelo i lazanje kao glavno jelo.

**S14** There's always room in my stomach for sweets. Don't worry!

U mom želucu uvijek ima mjesta za slatko. Ne brini!

» Dialogue 54: Problems with the computer in the office

**Dijalog 54: Problemi s računalom u uredu**

- S01** When I turned on my computer this morning, suddenly the screen went all black.  
**Kad sam jutros upalio računalo, ekran je odjednom postao crn.**
- S02** Oh, my goodness. What did you do then?  
**O moj Bože. Što si onda učinio?**
- S03** At first I thought the power cable had come loose, but that wasn't the case. Then I tried to start the computer again, but the screen remained black.  
**Prvo sam mislio da je kabel za napajanje olabavio, ali nije bilo tako. Zatim sam ponovno pokušao pokrenuti računalu, ali ekran je ostao crn.**
- S04** Did you call our IT technician?  
**Jesi li zvao našeg IT tehničara?**
- S05** Yes, but at first his number was always engaged. Apparently I wasn't the only one who had problems with his computer. I then went to his office to talk to him about my problem in person.  
**Da, ali u početku je njegov broj stalno bio**

zauzet. Očito nisam bio jedini koji je imao problema s računalom. Zatim sam otišao u njegov ured kako bih osobno razgovarao s njim o svom problemu.

**S06** And what did he say?  
I što je rekao?

**S07** At first nothing, because the phone was ringing all the time. All of the computers in our company were down. It was a real disaster. Isprva ništa, jer je telefon stalno zvonio. Sva su računala u našoj tvrtki bila u kvaru. Bila je to prava katastrofa.

**S08** How could something like this happen? It's not possible for all the computers to break down at the same time.  
Kako se takvo nešto moglo dogoditi? Nije moguće da se sva računala pokvare u isto vrijeme.

**S09** The computers didn't break down. It was a hacker attack. Someone froze our computers and wanted to blackmail our company. Računala se nisu pokvarila. Bio je to hakerski napad. Netko nam je zamrznuo računala i htio ucijeniti našu tvrtku.

**S10** That's terrible. It sounds like a scene from a film.

To je užasno. Zvuči kao scena iz filma.

**S11** Yes. But luckily our IT department was able to solve the problem and, in the meantime, we also notified the police.

Da. No, srećom, naš IT odjel uspio je riješiti problem, a u međuvremenu smo obavijestili i policiju.

**S12** I'm afraid it won't be easy to track down the perpetrators. Most of them operate from abroad and on the darknet.

Bojim se da počiniteljima neće biti lako ući u trag. Većina ih djeluje iz inozemstva i na darknetu.

**S13** That's true. Fortunately, we have backups set up on an external server for all the files we work with.

To je istina. Srećom, imamo sigurnosne kopije postavljene na vanjskom poslužitelju za sve datoteke s kojima radimo.

» Dialogue 70: Special Olympics  
**Dijalog 70: Paraolimpijske igre**

- S01** The Special Olympics are starting next week. Did you know that a student from our school is a member of the youth national handball team?  
**Sljedeći tjedan počinje Paraolimpijada. Jesi li znao da je učenik naše škole član mlade rukometne reprezentacije?**
- S02** No, I had no idea. Do you mean the blond boy who is in a wheelchair?  
**Ne, nisam imao pojma. Misliš li na plavokosog dječaka koji je u invalidskim kolicima?**
- S03** Yes, that's the one I'm talking about. My friend goes to the same class as him, and she told me that he practises three times a week and often participates in tournaments at the weekends. He's also been abroad a lot with his team.  
**Da, to je taj o kojem govorim. Moja prijateljica ide u isti razred kao i on, a rekla mi je da on trenira tri puta tjedno i često sudjeluje na turnirima vikendom. Također je bio dosta u inozemstvu sa svojim timom.**
- S04** That's really remarkable. Handball is a physically demanding sport. But I've noticed

he has very muscular arms. He probably needs to have strong arms, because he doesn't have an electric wheelchair, but uses his arms to move the wheels.

To je stvarno izvanredno. Rukomet je fizički zahtjevan sport. Ali primijetio sam da ima vrlo mišićave ruke. Vjerojatno treba imati jake ruke, jer nema električna invalidska kolica, već rukama pokreće kotače.

**S05** He is not only very athletic, but also a really nice guy. I chatted with him a few times when he was waiting for his parents to pick him up from school by car.

On nije samo vrlo atletski građen, već je i jako fin momak. Nekoliko sam puta razgovarala s njim dok je čekao roditelje da ga autom pokupe iz škole.

**S06** Unfortunately, I only know him by sight. But I'm sure he's nice. I'm always very impressed by the achievements of the athletes at the Special Olympics.

Nažalost, poznajem ga samo iz viđenja. Ali siguran sam da je fin. Uvijek sam impresioniran uspjesima sportaša na Paraolimpijadi.

**S07** Me, too. But it's not just their athletic achievements that inspire me. I'm particularly fascinated by their positive

attitude towards life. Although most of them have suffered severe blows of fate, they don't let these things get them down.

Ja isto. Ali ne inspiriraju me samo njihovi sportski uspjesi. Posebno me fascinira njihov pozitivan stav prema životu. Iako je većina njih doživjela teške udarce sudbine, ne dopuštaju da ih te stvari pokolebaju.

**S08** I think these athletes are real role models for other people.  
Mislim da su ovi sportaši pravi uzori drugima.

**S09** I couldn't agree more with you. At any rate, I'm looking forward to watching the competitions on TV and, of course, I'll keep my fingers firmly crossed for our handball team. Who knows, maybe the boy from our school will even win a medal!  
Ne mogu se više složiti s tobom. U svakom slučaju, veselim se pratiti natjecanja na TV-u i naravno, držat ću fige našoj rukometnoj reprezentaciji. Tko zna, možda dječak iz naše škole osvoji i medalju!

**S10** That would be fantastic. In any case, it's already an outstanding achievement for him to be participating in the Special Olympics. I'm sure his parents are very proud of him.  
To bi bilo fantastično. U svakom slučaju, za njega je već izniman uspjeh sudjelovanje na

Paraolimpijadi. Siguran sam da su njegovi roditelji jako ponosni na njega.

**S11**

I think the most important thing for his parents is that he is happy.

Mislim da je njegovim roditeljima najvažnije da je on sretan.
