Congratulations on your purchase of one of our SentencePower products!

Our products are designed to meet the needs of learners who already possess a basic knowledge of a language and want to acquire the necessary skills to converse fluently and understand complex content.

In creating our study material, we have taken into account scientific findings and drawn on the rich experience of language experts who have themselves been successful language learners for decades.

Our SentencePower products consist of 5,000 sentence modules with around 5,700 individual sentences covering topics from various areas of life.

The sentence modules teach an up-to-date vocabulary and can be combined with each other so that you can practise a large number of different and real-life conversational situations.

We wish you the best of success with our product!
